Wisconsin Harbor Town Letter from the Governor - Web Site

Greetings!

On behalf of the state of Wisconsin, I am pleased to invite you to experience the Great Lakes and our harbor towns here in the state. From the majestic shores of Lake Michigan to the brutal and beautiful waters of Lake Superior, Wisconsin's Great Lakes communities have something to offer visitors in all seasons.

Wisconsin is committed to providing access to our Great Lakes and preserving authentic experiences for all residents and visitors to enjoy. That's why I'm pleased to support the state's vibrant coastal communities. These communities serve as gateways to the Great Lakes, offering historic and cultural treasures and Wisconsin's world-famous hospitality.

I invite you to use the new 2009 Wisconsin Harbor Town Travel Guide and explore Wisconsin's harbor town website www.wisconsinharbortowns.org, to map and plan your next harbor town visit. As part of your visit, I encourage you to learn more about the steps you can take to help keep our Great Lakes clean. Through eco-tourism initiatives and by providing visitors with information on how to make a difference in the health of our Great Lakes, we will work together to preserve Wisconsin's coastal communities for future generations to enjoy.

We look forward to hosting you soon - the lakes and their coasts are yours to explore!

Sincerely,

A handwritten signature in black ink that reads "Jim Doyle".
